Peab extends hospital in Norway

Peab has been commissioned to extend Martina Hansens Hospital in Baerum, south of Oslo. The customer is the Martina Hansens Hospital Institute and the contract is worth NOK 192 million.

The project encompasses a new seven story building with a total building area of 5,000 m².

This is a turnkey contract and work on it will begin in May 2018. The project is expected to be completed in August 2020.

The project will be order registered in the second quarter of 2018.
