Peab receives new road commission in Dalsland

Peab has once again been given responsibility for operations and maintenance of federal roadways in operational area Dalsland. The customer is the Swedish Transport Administration and the contract is worth SEK 193 million.

The contract comprises winter road and bare ground maintenance. The contract is spread over four years with an option for one plus one year extensions. It begins on 1 September 2018.

The project will be order registered in the first quarter of 2018.
