Peab builds nursing home in Västerås

Peab has been commissioned to build a nursing home in Vallby, Västerås. The customer is Hemsö Fastighets AB and the contract is worth SEK 265 million.

The contract comprises planning and construction of a nursing home with 120 apartments. The building will also contain a bomb shelter. The project will be certified according to Miljöbyggnad level Silver.

The project is a turnkey contract. Construction will begin in August 2019 and is expected to be completed in April 2021.

The project will be order registered in the second quarter of 2019.

“We are very pleased to have been entrusted with this project which is both interesting and important. Peab has the expertise required to ensure high quality throughout the process,” says Nils Staffansson, Region Manager Peab.
