## Peab rebuilds Helsingborg Hospital

**Peab has been commissioned to rebuild wards in the main building of Helsingborg Hospital. The customer is Region Skåne, Regional property and the contract is worth SEK 277 million.**

The project entails rebuilding wards in the north wing of the main building. Three floors will be made into general wards for somatic adult care, one floor will become a maternity ward and one floor will contain a children's ward.

The project is a general contract and construction will begin in May 2019. The work is expected to be completed in December 2020.

The project will be order registered in the first quarter of 2019.
