Peab builds school in Jönköping

Peab has been commissioned to build Djupadal School in Jönköping. The customer is Jönköping Municipality and the contract is worth SEK 160 million.

Middle school Djupadal School will have room for 415 students and a full size sports hall will be built adjacent to it.

"We're happy to be part of community development in Jönköping. Peab has extensive experience in building schools and we look forward to providing expectant students with a new school," says Anders Bergeling, Region Manager Peab.

The project is a general contract. Construction starts in August 2024 and the school is expected to be completed by January 2026.

The project will be order registered in the third quarter.
